

# CERTIFICATE

**Certificate granting the right to use the seal  
ENplus with the certificate number**

**0277 / RS 005**

Based on an agreement between the European Biomass Association (AEBIOM) and the certification body OFI CERT of OFI Technologie & Innovation GmbH as well as in compliance with the handbook for the certification of wood pellets for heating purposes of the European Pellet Council (EPC), which is in accordance with EN 14961-2, the holder of the certificate is granted the right to use the seal ENplus for the following product:

**Wood Pellets for Heating Purposes with the Class A2**

of the certificate holder

**Bioenergy Point d.o.o.  
6 Francuska St., SR-11000 Belgrade**

produced at the site

**SR-18255 Boljevac**

It is herewith confirmed, that the self-inspection executed by the manufacturer and the initial type-testing as well as the audit-testing were checked by the certification body OFI CERT. This certificate confirms, that all requirements of the

**Handbook for the Certification of Wood Pellets  
for Heating Purposes (Version 2013)**

were applied and that the product fulfils all prescribed requirements. This certificate was issued first on the 17<sup>th</sup> of April 2014 and is valid till the 16<sup>th</sup> of April 2017.

Vienna, 17<sup>th</sup> of April 2014

DI Udo Pappler  
Head of Certification Body OFI CERT
